Authentic Milk Crates. Made in the USA

PRODUCT
SPEC SHEET

6-Cell Divider Crate — 13.15 × 12.15 × 11"

Part # DC6

Keep half-gallon bottles from knocking together. The 6-Cell Divider Crate gives each bottle its own 5.45 × 4" cell inside a 13.15 × 12.15 × 11" crate, so glass and plastic bottles ride safely from the bottling line to the store shelf.
