Heavy-Duty Super Crate

Part # SC141415

Built for the things a standard milk crate can't hold. The Super Crate measures 14.5 × 14.5 × 14.8" with a 13.45 × 13.45 × 14.25" interior — tall enough to keep 12-inch LP records upright, and roomy enough for charger plates, 5-gallon water jugs, small propane tanks and computer gear.
